

MRS. E. CAMPBELL DEAD IN COLLEGE TOWN

Former Resident Passes Away After Two Months Illness. Was South African.

Mrs. E. Campbell, a native of South Africa, where she came of a prominent family, and who resided in Sonoma valley many years, died at Berkeley last Saturday after an illness of two months. She was the former owner of the ranch now owned by H. P. Bates, and was a woman of considerable means. Two years ago in this county she divorced her husband, James Campbell, to whom she had been married 27 years. She was a wealthy widow named Kiehn when she married Mr. Campbell in San Francisco. She had no children by either marriage and after separating from her husband she tried to get in touch with her relatives in South Africa, but without success. Her maiden name was Osbourne.

A comfortable estate is said to have been left by decedent who had no known blood relatives in this country. The funeral took place here Monday, where Mrs. Campbell was highly respected and where a sorrowing cortege of friends gathered to pay their last respects to her memory. Many lovely flowers covered her resting place in Mountain cemetery.

Mrs. Reinacker of El Verano had a very delightful birthday party at her home on Orange avenue March 2nd. She had as her guests Mrs. Chas. McKendrick, Mrs. Andrews, Mrs. R. Langer, Mrs. Freck, Mrs. E. H. Cliff, Mrs. M. Charlat and Mrs. J. Bolin. An afternoon tea was exquisitely served, and she received a number of very beautiful presents.

JIM CHASE OF RACING FAME PASSES

Here lies Jim Chase, one of the best horses that ever looked through a bridle. If there is a heaven for dumb brutes they'll let down the bars for Jim Chase.

Some thoughts akin to the above came to Deputy Sheriff Joe Ryan when he was forced to put his favorite horse, Jim Chase, out of misery one day last week. Jim Chase, one of the best racing stock and won many a goodly race. He was the only horse Ryan owned that he would never sell. When his dumb pal fell sick, and he knew he could never get better, Joe could not see him suffer, so he sent him to the happy hunting ground.

HIGH SCHOOL TRUSTEES' JOB GOES A-BEGGING

Although Past Year's Budget Was \$25,000 Candidates for Re-election on the 25th are Scarce.

The job of high school trustee in Sonoma valley is going a-begging. There are four vacancies on the board to be filled at the election on March 25th, but candidates are as scarce as hens' teeth. It is a man-sized job, too, for last year the budget amounted to about \$25,000 and there are intricate and interesting problems connected with it.

The four vacancies on the board occur through the resignation of some trustees and the expiration of the terms of L. M. Bish, Dr. Hays and Jos. Dowdell. Trustee Cassidy remains. The decision of Mr. Dowdell to retire occasions much regret as he has been a faithful member for many years.

Want Highway Commission To Settle Route From Kenwood

SANTA ROSA COMMITTEE OF CHAMBER OF COMMERCE SEEKS TO SETTLE CONTROVERSY OVER NEW STATE HIGHWAY FROM SANTA ROSA TO SCHELVILLE.

In an effort to get an unbiased and disinterested opinion of the best route for the state highway between here and Santa Rosa, the road committee of the chamber of commerce has asked for the endorsement of local organizations for a letter sent to Senator Slater asking him to arrange a hearing with the highway commission, to whom the decision as to the most feasible route should be left. The letter addressed to Mr. Slater and endorsed by the Valley of the Moon chamber of commerce is as follows:

"Feb. 26, 1921.
Honorable Herbert W. Slater,
Sacramento, Calif.

"My Dear Senator—There was a meeting of committees Feb. 25, from Sonoma, Glen Ellen, Boyes Springs and Santa Rosa in the Sonoma road about one mile east of Wildwood dairy farm, for the purpose of trying to get together on the route of the highway from that point to Sonoma, and after considerable discussion it was agreed by all here that each faction take the highway commissioners and the state engineer over each of the proposed routes and explain the advantages of each route. Then later a hearing would be arranged for with the commission. Each side would present its argument and leave the matter for settlement entirely with the commission.

"It would not take more than one-half day of the commission's time to look over both routes. It was requested that the Santa Rosa chamber of commerce try and arrange the meetings.

"If you can see fit to do this it will be greatly appreciated by all concerned.

"While writing on the subject, we thought if you would talk this matter over with the representatives of

the various counties that will be benefited by this new road, viz.: San Francisco, Alameda, Contra Costa, Solano, Lake and Mendocino, and Humboldt, Marin, all of the San Joaquin valley and Sacramento valley, as well as our own good county.

"We do not need to tell you that in this and several of the other counties named are located the playgrounds and health resorts for more than a million and a half of the people of this state. The road is needed commercially as well. It will allow our apples, grapes, berries and other fruits to go direct from the farm to where they will be consumed, and will allow the alfalfa and grain products to be brought into our county for consumption by our berry and chicken men, not saying anything about its use for military purposes. You can, therefore, see the importance of this project and urge the representatives of the other counties to assist you in speeding it along.

"The road should be substantially built. At least six inches thick and eighteen feet wide.

"Kindly let us know what you can do for us on this subject. Thanking you in advance for your trouble and with kind regards from our committee, we are

"Yours very truly,
"SONOMA ROAD COMMITTEE,
"By S. P. DOYLE, Chairman.
"By F. J. McNAMARA, Vice-Chairman."

The proposed hearing grows out of a difference of opinion as to the routing of the new road from Beltna to Sonoma. The Glen Ellen people object to the route as surveyed. The present survey leaves the county road near Beltna, crosses the Weiser ranch under the railroad trestle in that vicinity, and comes out beyond the Swain ranch. It misses the Glen

MAN BECOMES VIOLENT AND ATTACKS FAMILY

S. Cauemella Suddenly Loses Reason and Has to be Taken to Santa Rosa.

S. Cauemella, a rancher on the Petaluma road near El Verano, suddenly lost his reason Sunday night and in a fit of insanity attacked his family. His brother battled with the crazed man to the point of exhaustion, while his daughter rushed to Koenig's Oak Grove resort for help. Constable Murray was summoned by the terror-stricken neighborhood, and after handcuffing Cauemella took him to Santa Rosa for incarceration. Cauemella's brother was badly beaten up and might have been dangerously hurt but for the timely arrival of the police officer.

Ellen cross roads at Warfield and thus isolates the place, say Glen Ellenites. The State Home and El Verano folks are with Glen Ellen on the criticism.

The road as now surveyed follows the regular Santa Rosa-Sonoma road aside from the detour mentioned and comes through the heart of the spring and resort section, serving many new residence tracts and subdivisions. The people along its route point out that it is but a short cut across the valley to the other side, and that Sonoma county can eventually provide permanent roads to serve that side of the valley.

All agree that the highway should come into Sonoma to connect up with the modern paved streets for which money was voted last year.

Many new organizations have sprung up since the discussion arose, interest in the highway route entailing membership in the different bodies. At El Verano a boosters' club has been formed with the following officers and directors: J. Andrews, president; J. Emmett Mullen, secretary; treasurer, A. Weaver, Chas. Daniels, G. Merz and Louis LaMotte, directors.

Thursday night at Boyes Springs a spirited meeting was held at which representatives from both sides of the valley and from Santa Rosa gave voice to their views. Rudy Lichtenberg presided at the meeting, held in the Boyes Springs theatre. Geo. Darling spoke in behalf of the Valley of the Moon chamber of commerce, pointing out that it was intended for general welfare and its membership roll is open to every resident of the valley. The organization went on record in favor of the highway route as surveyed, and voiced confidence in the judgment of the state engineer and commission. Other speakers were Messrs. Bushy, civil engineer; P. P. Boyd, Marin county attorney; W. F. Cowen, lawyer and booster from Santa Rosa and representatives from Glen Ellen and El Verano. Mr. Cowen made the pointed statement that the highway commission should be urged to proceed with road building, not to settle differences.

Senator Slater has written to Frank McNamara of the Santa Rosa good roads committee that he will intercede to have the commissioners inspect the routes, insuring them that all factions will abide by their decision.

M. Belber has sold his interests in "The Lark" to H. Lang. Mr. and Mrs. H. F. Bates witnessed "Way Down East" on Monday evening at Nap's popular theatre, the Hippodrome.

Mrs. C. J. Carlson has been visiting in Oakland, where she was finely entertained by friends and relatives.

CITY TRUSTEES MET

The city trustees met Wednesday night, passing the regular claims for the month just passed, and spreading on the minutes a letter from Senator Slater pledging aid in presenting the resolution sent to the state highway commission, asking for state aid for our street paving plan.

Trustee Bulotti resigned from the street committee.

4-YEAR-OLD ARTHUR LUCE DIES AT HOME

Arthur Sprague Luce, four-year-old son of Mr. and Mrs. Arthur Luce of 1229 College avenue, died at the home of his parents Friday morning, following an attack of spinal meningitis. The lad had complained several days ago of "not feeling well." In a short time the case had developed into a serious attack of spinal meningitis, which physicians were unable to save him from.

His father was formerly teller at the Sonoma Valley bank.

NOTICE

On Friday, March 18th, at 8 o'clock at Boyes Springs theatre a meeting will be held by the Valley of the Moon chamber of commerce for the purpose of electing permanent officers.

GEORGE CAUSE,
Secretary Pro Tem.
Dated March 4, 1921.

Mr. Alexander O'Brien, an interesting Scottish gentleman, was a well-known visitor to the valley this week, when he was entertained by his friends, the Taylor family, who have his land leased. Many residents of the Baxter tract will be glad to learn that the place is not to change hands as Mr. O'Brien expects to come here and with the aid of his sister, who is coming from Scotland, to make a home.

N. Cantor has returned to the valley and will take over Caliente Villa. Mr. Cantor is being warmly welcomed.

Roadmaster Helberg has been advised by the county engineer to stop all road work here on account of lack of funds.

The Ladies' Aid meets Tuesday at Mrs. Burmeister's home.

D. MODINI, WELL KNOWN PETALUMAN, DIES

Brother of Late L. Modini, and Uncle of Jim Modini, Now of Richmond, Passed Away Monday.

The news of the death of D. Modini of Petaluma was received in Sonoma valley with much regret. He was a brother of L. Modini, deceased, one time owner of the Garibaldi House here, and an uncle of Jim Modini, now residing at Richmond. In regard to his passing the Petaluma Argus said:

"D. Modini, one of the best known residents and business men of this city, passed away this morning at his beautiful home, 299 Wilson street, corner East D street, and the news will be received with regret and surprise. True, he had been in poor health for many months, but was able to be up and around until quite recently, few of his friends realizing that his condition was so critical. During his long illness he was devotedly nursed by his wife, who did all in her power to aid in his recovery, and she made comfortable his declining days.

BIG WATER MERGER DISCUSSED AT MEETING

At a meeting in the Sonoma City hall Monday night the contemplated big water merger was discussed and many pertinent questions put and answered. R. L. Durham, who heads the project, addressed the meeting. Wm. F. Cleve presided. F. H. Tibbets, consulting engineer, described the plan for the building of a big dam in the western foothills at a cost of approximately a quarter of a million dollars. He said after going into the plan and supply he was convinced that 3,000 acres in the Sonoma valley could be furnished water for irrigation purposes and that our acreage should rival Santa Clara valley's, where the high cost of water was a factor. The cost of water to our farmers is estimated by Mr. Durham as follows:

Fruit irrigation, minimum, \$2 per acre per month, maximum 8 cents per thousand gallons. If sufficient water is sold, maximum rate should be considerably lower. Maximum rate, second year on proposed redemption of bonds should be still lower.

Those desiring water from the proposed system are urged to come forward immediately and make their needs known.

William Tilman-shoefer, aged 22, took out a license in Oakland to wed Miss Florence Campi of San Francisco, age 18 years, this week.

Mrs. Randolph motored to San Francisco Thursday. Accompanying her were Mrs. Spindler and her children, Mrs. Moebes and Mrs. Joe Bacher.

SONOMA VALLEY AND THE RAILROADS

While we are all wrestling with the problem of better roads and highways for auto transportation, the situation relative to the railroad problem in Sonoma valley is becoming more acute and serious, particularly in the face of the announcement that the Southern Pacific is to curtail its service and give this section but one train a day.

The Southern Pacific is not discriminating against the territory which its Santa Rosa branch has served, for it is cutting out and cutting down all over the country, but in this case there are circumstances which the officials might have considered in applying their policy of retrenchment. We are off the main line of travel and have never had the service other localities enjoy. The service we have had in the past has been about the minimum. A curtailment in main line service and the taking off of trains might be subject to no criticism or attended with little hardship to the public in many places, but in this case we are to be seriously handicapped even to the receiving and dispatching of our mail.

The people stood the raise in rates with but little protest and perhaps in war time might even have submitted to one train a day, but now, with healthy progress to be expected with a return of the road to private ownership and with the community bending every effort to getting things back to normal and tending up business, the public feels that the company is retrogressive and short sighted to put its retrenchment policy into effect here.

The company will undoubtedly defend its policy as ironclad and all prevailing and incidentally remind us that the Santa Rosa branch has never paid what it should. We believe that if the Southern Pacific had given us the splendid publicity work and advertising it has given the other sections, that the Sonoma valley and Santa Rosa would have become very popular with the tourist trade and traveling public. Instead the Sonoma valley is never mentioned on a folder or time table of the Southern Pacific and the little stations listed are usually not familiar to the traveler anxious to visit the Valley of the Moon. It seems to us that the old time railroad policy of wider advertisement of this section, popularizing it as an outing section with cheaper fares and more volume of business was the better one all-round.

As it is now, traveling by rail is almost prohibitive with increased rates and curtailment of service. It is getting so that people must either own autos or stay at home.

MORE ABOUT THAT MOVING PICTURE MADE IN SONOMA

In telling of the moving picture play, "The Midlanders," filmed in Sonoma by the Bessie Love company and recently produced at Sacramento, one who witnessed it said:

"Marshal Albertson shows up as large as life in the film in several instances, and the Sonoma plaza looks like home. I got a brief slant at Ralph Hotz in one of the scenes, but the action is so rapid that it is hard to pick out the faces before the scene shifts. The chase of the thief on the bicycle around the plaza is a good scene, and caused much amusement to the audience. On the whole, though, I was somewhat disappointed in the play. There seemed to be not much to it—just an ordinary movie, with little plot and lots of action of not much moment. Miss Bessie Love and the large lady of the blonde hair looked as natural as on the days when they spent so much of their time in what seemed to us strenuous efforts to produce something that might be worth while when seen on the screen. But it is an interesting play, nevertheless, and Sonoma people should not miss an opportunity to witness it."

MRS. MARTI MEETS MISHAP

Mrs. E. Marti, the well known pioneer resident of Stanley street, near Post, accidentally slipped and fell from the concrete coping which is three feet high in front of her home, and sustained a fractured shoulder blade and severe bruises, besides suffering from the shock, the combined injuries being very serious and painful.—Petaling Argus.

ROY LYNCH AND PARTY MET WITH ACCIDENT

While going to Ukiah in their Ford roadster Tuesday, Mr. and Mrs. Roy Lynch, their sister, Wanda, and little girl met with a serious accident. A truck crowded them off the highway near Healdsburg and in attempting to get by took off the wheel of their Ford. The machine overturned, throwing the Lynches out and painfully injuring Mrs. Lynch and her little niece. They were taken to the home of their relatives, the Grants, at Healdsburg, and given medical attention.

A few hours prior to the accident they passed through Sonoma and stopped off to see Mrs. Ramona Lynch and her little son.

LED FIGHT AGAINST COLD STORAGE MEASURE

Congressman C. F. Lea has been leading the fight in congress against the cold storage measure which designates any product in cold storage ten days to be labeled when sold as cold storage. As it takes ten days to send California eggs east the poultrymen of this and other sections of the state would, under the proposed law, find their high-grade produce classed and sold as cold storage.

The house of representatives voted down the measure, Mr. Lea pointing out the manifest unfairness of the ten-day clause.

MISSION CREAMERY MAKES CALIFORNIA CREAM CHEESE

In addition to the Jack or Monterey cheese for which the Sonoma Mission Creamery is famous, the local factory is now making a California cream cheese which is a fine product, and should bring new fame to the Valley of the Moon.

Messrs. Vella and Spaziani aim to buy all the products possible from Sonoma Valley dairymen and poultrymen. They have been handling more eggs than ever before during the month just past and continue to buy from the dairymen despite the slump in the cheese market and the big stock of cheese they have on hand. In order to take care of all the local produce offered they decided to make the large California cheese for which there is always a good demand.

Valley of the Moon brand butter, which is another Sonoma Mission Creamery product is a big seller and brings a top price in the San Francisco market.

Charlie Miller of "Bohemia" is making some up-to-date additions to his grill at Verano.

SAD NEWS FROM HOME

Arthur Pooley, the veteran pianist and expert of this city, who is now in Monterey county on his regular semi-annual visit, has received word that his brother was run down by a motor lorry in England, and killed, and the Petaluman is sorrow-stricken over the loss of his last surviving brother. Mr. Pooley now has only two sisters left of a family of twelve brothers and sisters, and this makes his burden the harder to bear. It has been many years since he last saw his brother. The details of the sad accident have not yet reached Mr. Pooley.—Petaluma Argus.

Mr. and Mrs. Harry Fuller, the well known travelers, were here over the week-end visiting at the Church home.

Miss Louise Wilson of Berkeley, who for many years was a missionary in the far east and is a member of a pioneer Sonoma family, has been visiting her sister, Mrs. Sophia Carner.

Joe Kearney of El Verano has been on the sick list.

B. F. CAMPBELLS HOME AFTER FOUR MONTHS IN HONOLULU

Mr. and Mrs. B. F. Campbell have returned to their home in Broadway, Sonoma, after a delightful visit of four months in the Hawaiian Islands. They were entertained by their daughter, Mrs. Florence Ogg, whose paternal home on "Punch Bowl" mountain is one of the handsome places of Honolulu.

It had been ten years since Mr. Campbell visited the Islands and he reports great progress and development there. The country has been exceedingly prosperous, but since the war and the drop in the price of sugar, warms were cut and there has been labor trouble, many Portuguese and Filipinos who flocked in have left and now the Japanese are in full possession of the situation. Mr. Campbell declares that the people of Hawaii are fully awake to the Japanese menace and endorse California's fight to stop their penetration of the country.

While in Honolulu the Campbells met and visited Ralph Buchanan and his wife, whom they declare to be a most charming girl. They also saw Axel Soderberg, another Sonoma boy in the navy. The army and navy play a big part in the population of Honolulu and just now there are extra troops garrisoned there. The harbor is alive with shipping and by day and night is an interesting and beautiful sight.

Mr. Campbell's daughter, Mrs. Ogg, who is the widow of a wealthy banker, expects to leave shortly on a world-wide tour which will take her first to Manchuria, where she will visit her sister, Bertha, and to the Philippines, where she will visit her brother, Oscar.

The Campbells are being welcomed home and say that despite its original splendor and tropical lure the Islands have not the subtle charm of our own Valley of the Moon.

G. Thoren of Eldridge has been appointed post master there.

Mr. and Mrs. R. L. Watt of Schellville attended the auto show in San Francisco last week.

Miss Marie Clew and a party of friends from San Francisco have been enjoying an outing at the old home.

Mr. and Mrs. Gardner (Evangeline Lodge) were visitors from San Francisco over Monday at their country home south of town.

RUFUS FARM INTRUDER EXAMINED AS TO SANITY

M. Costa, who was frightened off by the return of the householders at the Rufus ranch, Buena Vista, not long ago, and later captured at Vineburg, showed marked evidence of insanity when taken to Santa Rosa. In regard to his hallucinations the Friday Republican of that city says:

"As a result of weird tales and super-human feats of strength Manuel Costa, jailed on a charge of burglary following his arrest when captured in a Sonoma valley house recently, will face a lunacy commission this afternoon to have it determined whether or not he is insane. Costa became so unruly while confined in one of the wards in the county jail that he was chained and confined in the insane ward. Muttering strange stories and waterfront oaths he amused himself during the day by shouting curses and threats against the officers and by lifting and hurling about the huge padded cell in the insane ward. This is a remarkable feat of strength but is performed with ease by the prisoner. As the result of his actions this week the officers filed an affidavit of insanity against him today and he will appear late today or tomorrow before the commission."

MISS MINKEL GIVEN SHOWER AT SAN LUIS OBISPO

Mrs. H. A. Truesdale was hostess at a charming shower on Saturday afternoon at her home, 1134 Mill street, in honor of Miss Myrtle Minkel, whose engagement to Shirley Everett Weiss of Cleary Ellen, Sonoma county, was recently announced. The spacious home was a veritable bower of almond blossoms with pink streamers also being used in abundance. A delightful "bride-to-be" was given to the affair by a novel feature, Little Louise Green, daughter of Mr. and Mrs. A. B. Green, dressed in filmy white as a bride, and Ellen Margaret Truesdale, dressed as a bride-maid, received the guests at the door. Florence Minkel, the youngest daughter of Mr. and Mrs. H. A. Truesdale, dressed as Cupid, presented the gifts—which were many and beautiful—to the bride-to-be. The afternoon was spent in appropriate amusements. Miss Minkel favored the guests with two beautiful solos, being accompanied by Miss Edgerdale Carlson. Late in the afternoon delicious refreshments were served, the favors being miniature brides.

Miss Minkel is the teacher of the fifth grade at the Court school. Although she has only resided here since last August, she has made many firm friends here and has a large circle of acquaintances.—San Luis Obispo Tribune.

229 BABY CHICKS FROM 1000 EGGS

Mr. Howard Ford, one of the many progressive poultrymen of "Dale," on Tuesday, February 15th, hatched out 229 baby chicks from 1000 eggs. This is over 96 per cent, and the hatching time was 20 days, which goes to show that Kitchen Brothers' new incubator has proved itself a great success.

BASEBALL TODAY AT 2:30

Sonoma High's wonderful baseball team has attracted the attention of a team of Napa, and so a game has been arranged and scheduled for 2:30 this afternoon. The game is to be given for the purpose of raising money to go towards making the quota assigned to Sonoma valley for the European relief fund. The game will be played on the high school diamond and the public is invited to attend. An admission of 25 cents will be charged. Come and help the good cause.

SONOMA HIGH SCHOOL NOTES OF INTEREST

Thursday night, February 24th, the members of the Honor Scholarship society were the guests of the faculty at a fancy dress party given in the domestic science building.

The rooms, prettily decorated, were a most fitting setting for the gaily costumed party. The costumes of Misses Poppe, Kurtenbach, Irma Adler and Beth Lane were of the quaint fashion worn years ago. Anita Camp and Marie Anderson wore pretty dancing costumes. Miss Bart and Evelyn Cordell were gay little gypsies. Armond, Franquelin and Irene Tracy appeared in Yama-yama suits. Miss Arnot was queen of hearts and Miss Jensen a Spanish seniorita. Marguerite Helberg represented night with its stars. Roy Wirtz came as an artist. Donald Prestwood made a charming lord. Fred Schell was a dashing young pirate, while Henschel Hyde was a moving "picture show." Anna Noves looked sweet as a Scotch lassie. Arthur Ruiz, as a sweet little girl, coquetted with a Palm Beach lad, Harry Barmeister.

The evening was one of fun and frolic for all present. Jolly games were played and dancing was enjoyed. Miss Bart, "just like a gypsy," told everyone's fortune and gave a little gypsy dance. Miss Jensen, Miss Arnot and Miss Poppe favored the guests with some songs. Mr. Galton and Mr. Steinquist read a few jolly poems.

The refreshments were delicious. All the honor students say the faculty knows how. They certainly enjoyed the evening and all are saying it's very worth while to be a member of the Honor Scholarship society.

James Cameron is an honor member, also, this quarter.

A Washington-Lincoln program was given recently in which the following students participated: Marguerite Helberg, Wilfred Cohen, James Bigelow and Tom Palmer.

The faculty and student body are very grateful to all who attended their recent entertainment, making it financially and socially a great success. The receipts amount to over \$160, and will benefit the orchestra.

Monday night a party, consisting of the senior class, Miss Bart and Miss Jensen, motored to Napa and enjoyed Griffith's wonderful production, "Way Down East."

BANKER RETURNS FROM SOUTH

F. M. Burris, president of the Sonoma valley bank, returned Monday from a several weeks' trip south, where he looked over the 3000-acre Burris ranch in Kings, Fresno and Kern counties. Mr. Burris declared that the abundance of water and many crops of that section make it an extremely prosperous dairying section but that in many localities he saw evidence of the big slump in farming. For instance, at Ventura he passed through the famous lemon grove of Girdion and diamond, who, disgusted with the conditions in the lemon market, is uprooting his beautiful full-bearing groves and will plant some grape vineyard instead. Mr. Burris says that he believes that prohibition had a lot to do with killing the lemon industry and coupled with the invasion of the market by foreign lemons was ruinous to the growers.

Mr. Burris went south on business connected with the settlement of the estate of his mother, the late Julia Burris, who had large land holdings in the three counties he visited. Those holdings carry with them valuable water rights.

Mrs. R. P. Hill has been attending the social service conference in San Francisco.

Dal Empanan was on the sick list last week with one of the prevailing colds.

Ford

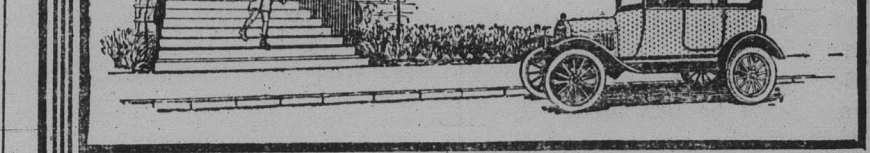

THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3½-inch tires front and rear, for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows make it an open car in pleasant weather, while in rainy and inclement weather it becomes a closed car, dust-proof and rain-proof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

VINEBURG NEWS

Capt. and Mrs. Peter Bosch have received a citation from Major General Commandant John Lefebvre at Washington on account of the noble death of his young life defending the land of his birth on the battle scarred fields of France. This brave young son of Vineburg was a member of the Fourth Division, Sixth Regiment, U. S. Marines, 1st Battalion, sleeping brother, sleeping brother, still in the grave. Shadows of the past are creeping; Death, the reaper, still is reaping; We have wept, and still are weeping for our beautiful, our brave.

Mrs. D. Colli was the guest of friends in the metropolis this week. Mrs. Leona Batto and Miss Mary Batto were the guests of Mrs. Capt. Peter Bosch on Tuesday afternoon.

Messrs. Fred Schell, Haster Ring and Fred Batto ("Buddie") of this part of the valley were active players in the Sonoma high school basketball game at Napa Saturday of last week, and Sonoma won out.

The San Luis basketball team beat the Dinty Moores of Vineburg on Sunday last. Of course, the Dintys are all right, but they need some "Moore" good players.

Mr. and Mrs. Fred Batto, Mrs. Louise Batto and Charles McDevitt motored to the capital on Tuesday last and report a pleasant trip.

FOURTH-CLASS POSTMASTER EXAMINATION

The United States civil service commission has announced an examination to be held at Santa Rosa, California, on March 26, 1921, as a result of which it is expected to make a certification to fill a contemplated vacancy in the position of fourth-class postmaster at El Verano and other vacancies as they may occur at that office, unless it shall be decided in the interests of the service to fill any vacancy by reinstatement. The compensation of the postmaster at this office was \$630 for the last fiscal year.

Applicants must have reached their twenty-first birthday on the date of the examination, with the exception that in a state where women are declared by statute to be at full age for all purposes at eighteen years, women eighteen years of age on the date of the examination will be admitted.

Applicants must reside within the territory supplied by the postoffice for which the examination is announced.

The examination is open to all citizens of the United States who can comply with the requirements. Application blanks, Form 1753, and full information concerning the requirements of the examination can be secured from the postmaster at the place of vacancy or from the United States civil service commission, Washington, D. C.

Applications should be properly executed and filed with the commission at Washington, D. C., at the earliest possible date.

NEW CHEMICAL FOR BOYES ARRIVES NEXT SATURDAY

With flying colors the new Valley of the Moon "Angel," Boyes Springs' new chemical engine, will arrive next Saturday, getting into Sonoma about 1 p. m. and making the run thence to El Verano and to Glen Ellen. The Sonoma fire department plans a reception when the new chemical arrives to be a sister to the "Little Red Devil," and a first cousin to Sonoma's new Watersons fire engine. On Sunday Boyes Springs fire department will demonstrate the new chemical on the base ball grounds at 4 p. m.

A fine new fire house at Boyes awaits the "Angel."

The name under which we are doing business is the "B & G Garage," and our principal place of business is situated on the Corner of Napa Street and First Street West, in the City of Sonoma, County of Sonoma, State of California.

The names of the partners and their places of residence are as follows:

Peter A. Boccoli, Sonoma, California.

S. A. Griffith, Sonoma, California.

IN WITNESS WHEREOF we have hereunto set our hands and seals, in the City of Sonoma, County of Sonoma, State of California, this 1st day of February, 1921.

PETER A. BOCCOLI,
S. A. GRIFFITH,
State of California, County of Sonoma, ss.

On this 21st day of February, in the year one thousand nine hundred and twenty-one, before me, JOSEPH L. SMALL, a Notary Public in and for the County of Sonoma, personally appeared Peter A. Boccoli and S. A. Griffith, known to me to be the persons whose names are subscribed to the within instrument, and they duly acknowledged to me that they executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal, at my office in the County of Sonoma, the day and year in this certificate first above written.

JOSEPH L. SMALL,
Notary Public in and for the County of Sonoma, State of California.

BURGLAR ALARM SYSTEM AT FIRST NATIONAL BANK

The order for a modern burglar alarm system placed by the First National Bank some months ago has been filled and is now being installed. It is an electric device and will sound an alarm on the outside of the building in case any yegs tamper with its delicate mechanism.

Miss Withemina Spyker, former Sonoma girl, will be married in Stockton on March 12th to C. C. Schow, a San Francisco business man. Miss Spyker is a trained nurse.

FEBRUARY WAS MONTH OF PLEASANT SOCIAL EVENTS

The month just past shows Sonoma to be interesting itself as keenly as formerly in social and club affairs. The benefit for the high school orchestra and the Woman's club social afternoon are herewith reviewed.

At both affairs the dancing of Tamara Laub, attractive Russian girl, was a delightful and novel feature.

High School Show
On Saturday evening, February 19, before an audience which crowded the grammar school auditorium to capacity, the Sonoma valley union high school presented its first entertainment of the season. The program was quite generous in length and was designed to exhibit the first talent of the school, both in music and dramatics.

The lighter vein of comedy was presented in three short but clever skits. Haster Ring starred alone as the eligible bachelor in "A Previous Engagement," and appeared again in support of Miss Irma Adler in "The End of the Rainbow," a romance of the summer. That even such unimportant things as lima beans versus string beans can make the course of true love run less smoothly, was the theme of "Why is a Kiss?" in which Hirschfeld Hyde and Celia Thompson appeared as the husband and wife and Wilfred Cohen as the Hunkster.

In a more serious tone was "Pierrot and Pierrette," a charming story of the influence of the kindly old Maker of Dreams in the lives of two strolling players, Amalou Dresel and Robert Poppe were the players, and Arthur Ritz was the old Dream Maker, and played their parts with sympathy and understanding.

Ruth Landrum presented two musical recitations with her usual charm of manner, and both boys' and girls' quartettes sang a group of songs. The high school orchestra, for whose benefit the entertainment was staged, was heard in two groups, which reflected the very able training of their instructor, Rev. Mr. Burchett.

The dancing of Miss Tamara Laub, the talented young Russian danseuse called forth storms of applause from her appreciative audience. Her first dance was a gavotte, an old French court dance of the 17th century, and her second dance, a brilliant Spanish bolero.

The affair was a great success in every respect.

The students of the high school take this opportunity of expressing to the good people of Sonoma valley their appreciation of their attendance and their good will.

Club Notes
February 18th being the social meeting there was a short business session. On February 23rd the County Federation of Clubs were entertained by the Philomathean club at the Old Fellows' hall in Santa Rosa, the following delegates attending: Mrs. Clewe, Mrs. Burlingame, Miss Meta Stofen, Mrs. Watt and Mrs. Keiser.

An application for membership was received from Mrs. A. Koebom. Mrs. Clewe resigned her office as vice-president and will in all probability be succeeded by Miss Stofen, who is next in line for the office.

The election will be held March 4th. The committee reported that over one hundred dollars was raised at the recent benefit for the starving children of Europe.

After the business session the rest of the afternoon was devoted to a series of talks, with Miss Burchard having charge of the program.

Miss Burchard gave an interesting talk on Father Junipero Serra and a history of the California missions which proved very interesting, and was followed by a reading by Miss Meta Stofen on Star King in California.

Mr. Borst, the president of the Junior College of Santa Rosa, spoke and read of the contemporary poets, such as Amy Lowell, Edgar Lee Masters, Robert Frost and Gratiel Lindsay.

Miss Tamara Laub gave a very pretty gypsy dance and was accompanied on the piano by Miss Poppe.

Mrs. Johnson was the hostess for the afternoon, and served tea and wafers, and Mesdames Hunter and Wicker each donated cakes which brought \$6.25. The sum was added to the club's silverware fund.

Altogether a very enjoyable afternoon was had by all present.
